FPM – Admission Process and Fees

THE PROGRAMME

AICTE approved Fellow Programme in Management (FPM) at IMI Bhubaneswar is aimed at giving prospective scholars an academic space to challenge the conventional wisdom and encourage them to extend horizons of current thought into a new realm of knowledge and understanding. The FPM research scholars at IMI Bhubaneswar are expected to undertake a rigorous multidisciplinary approach and engage in original works of theoretical and application-oriented research with far reaching implications.

WHO SHOULD ATTEND

The FPM programme has been designed to cater to the scholarly needs of individuals who are willing to pursue rigorous research work at the doctoral level. These may include:

- Faculty members
- Executives from the government and private sector
- Researchers
- Postgraduates
- MPhil students

AREAS OF SPECIALIZATION

- Finance and Accounting
- Decision Sciences & Operations Management
- Marketing
- Organizational Behaviour & Human Resource Management
- Strategy/General Management
- Information Management & Analytics

PROGRAMME OBJECTIVES

The programme aims to fulfil the following objectives:

- To generate conceptual and empirical knowledge in the field of business management
- To disseminate knowledge regarding rigorous interdisciplinary research practices
- To promote ethical research practices
- To extend the horizon of knowledge in various domains of business management
- To promote research that leads to actionable decisions by the industry

PROGRAMME DURATION

The FPM at IMI Bhubaneswar is a four-year programme which can be extendable by 1 year. However, in case of exceptional circumstances, the programme may further be extended twice by 1 year duration, subject to approval by competent authorities.

PROGRAMME STRUCTURE

The programme is offered in the following two modes:

- Residential programme
- Non-residential programme

Students under residential programme will be required to be present physically on campus throughout the programme.

The programme is divided into two phases. The first phase of two years requires the scholar to undertake course work. Students who have completed their MBA/PGDM will be granted an exemption for the first year of course work. These students will be required to undertake only one year of course work. On completion of the course work, the students will be required to take a Comprehensive Examination (CE). The CE is based on a scholar's chosen area of interest. The purpose of CE is to provide scholars with an opportunity to identify their area of research interest and build sound background knowledge for their dissertations. During the second phase, scholars are expected to work on their doctoral thesis. The award of FPM at the end of the second phase requires the scholar to prepare a thesis proposal, pursue research based on the approved proposal under the guidance of the faculty supervisor, and finally, defend the thesis before the research committee.

INDEPENDENT AUDITOR'S REPORT

To the Board of Governors of International Management Institute

Opinion

We have audited the financial statements of International Management Institute, India ("the Institute"), a society registered under the Societies Registration Act, 1860, which comprise the Balance Sheet as at March 31, 2021, and the Income and Expenditure Account for the year then ended, and a summary of significant accounting policies and explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Institute as at March 31, 2021, and of its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Institute in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the institute's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the institute or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

S.R. BATLIBOI & ASSOCIATES LLP

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the institute's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditor's Report on Special Purpose Financial Statements

To the Board of Governors of International Management Institute, Bhubaneswar Branch

Opinion

We have audited the special purpose financial statements of International Management Institute, Bhubaneswar Branch ('Bhubaneswar Branch'), a society registered under the Societies Registration Act, 1860, which comprise the Balance Sheet as at March 31, 2022, and the Income and Expenditure Account for the year then ended, and notes to the special purpose financial statements, including a summary of significant accounting policies and explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid special purpose financial statements give the information required by the Society Registration Act, (XXI), 1860, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Society as at March 31, 2022 and its surplus for the year ended on that date.

Basis for Opinion

We conducted our audit of the special purpose financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the special purpose financial statements section of our report. We are independent of the Institute in accordance with the 'Code of Ethics' issued by the ICAI together with the ethical requirements that are relevant to our audit of the special purpose financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the special purpose financial statements.

Responsibilities of Management and Those Charged with Governance for the Special Purpose Financial Statements

The Management of the Institute is responsible for the preparation of these special purpose financial statements that give a true and fair view of the financial position and financial performance of the Bhubaneswar Branch in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI and the requirements of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act and the design, implementation and maintenance of internal control, relevant to the preparation of the special purpose financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial statements, management is responsible for assessing the Bhubaneswar Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bhubaneswar Branch or to cease operations, or has no realistic alternative but to do so.

17. Best Practices adopted

IMI Bhubaneswar has a rich resource pool of quality full time members who have contributed towards adoption of various unique practices in order to improve the quality of education at IMI and make the students industry-ready. In order to facilitate improvement in teaching and learning, following key initiatives have been taken.

1. In a major revamp of programme curriculum, all core courses offered to PGDM students have been converted into two credit courses that require 20 hours of classroom interaction. A course - restructuring committee was constituted comprising of faculty members. This committee took into consideration the AICTE criteria for core and elective courses credit requirements. Accordingly, it recommended optimization of credits for core courses. Subsequently the matter was deliberated upon in the Faculty Council and approved upon. Feedback was also sought from the experts during the curriculum revision meetings held at Area level. All these courses were earlier of 3 credit requiring 30 hours of class-room interaction. The major objective behind this was to provide more opportunity to students to engage in self-learning. A greater thrust was laid on self-preparation.
2. In order to provide students with deeper knowledge on emerging streams, Information Management & Marketing Analytics was created as a sub-area to offer all analytics related functional courses such as Marketing Analytics, Financial Analytics, HR Analytics, Data visualization, Web and social media analytics etc. In keeping with this new format, Business Analytics was converted into a core course that is not being taught before the students proceed for summer internship. This was done to provide students with greater analytical skills prior to their industry exposure during summer internship.
3. Marketing Strategy has been introduced in the 3rd Trimester. It is being taught using Markstrat simulation. The students are divided into different teams and they execute their marketing strategies on the simulation platform. The effectiveness of their strategy is reflected in the share prices of the company. The group with the highest share price wins the game at the end of the term. Parallely, students are debriefed by the faculty regarding their strategies and its impact on share prices. This hands-on training to students is aimed at getting the student market-ready before they venture out for their summer internship.
4. For Finance area, Bloomberg terminals and PROWESS database have been installed in the library so that students can have ready access to financial data. Accordingly, the Finance courses have been modified so as to provide an opportunity to students to use real-time data for their financial decisions.
5. The institution has a laid down policy of permitting 20% of total sessions in every course to be taught by experts from corporate and academia. This enables importing of important industry insight and exposes the students to some real-world dilemmas.
